FOUNDER OF CHH INDIA PVT. LTD
(THE DECOR QUEEN)

My objective is to see Smile on every other person's life and make their day special with our amazing decorations. During the difficult period of lockdown, we have provided employment to 500+ skilled resources who were facing difficulties to run their home. Our future goal is to produce 50000+ job opportunities to the people who are ready to join our handles and help us in our goal to make every special day a pleasant surprise. My other main objective is to boycott Chinese products, and make India an independent producer since we are no short of skills and labour. As our Prime Ministers Sri Narendra Modi Says, “Atmanirbhar Bharat”. We stick by to this motto and strongly believe that The Decor Queen is making a mark when productions of decorative items are considered.
